MISCELLANEOUS

Any Techies Out There??? WRAL Website is Going Away at the End of 2019!!!

At the end of 2019, Joyce Richter, our website developer and maintainer will be shutting down her website of which we are a part. Joyce built this site in 2008 and has faithfully managed it for us ever since.

Our website lists our membership, artist bios, links to member artist websites, showcases member artwork, lists the meeting schedule, and all demo and workshop artists for the year. It also has a copy of our By Laws and tells how to become a member. There are tips for how to photograph your art and how to publish it to the website. You can also pull up previous newsletters. Joyce gave us an impressive web presence long before many larger leagues even had a website.

I hope you'll take a minute to look at our wonderful site <http://www.color-artists.com/wral.html> and see if this is something you value as a member of Wheat Ridge Art League. If so, we need your help!

If you are interested in continuing our WRAL Website in some form, or know someone who could build us a new one, please contact our president Pat McAleese 303-941-4928 with your ideas. -- Alex Hinst
